Bundy's

Kimberley Coastal Adventure

Stretching 200kms northeast of Broome, Ardi (the Dampier Peninsula), is a region rich in spectacular scenery and pristine coastline. Your host for the tour, traditional owner Bundy, lives a contemporary but traditional Aboriginal lifestyle and his culture is very much a part of his life. Come and share the stories of the saltwater people who have lived here for thousands of years.

Tour Inclusions

- Spectacular tour location at Kooljaman - Cape Leveque.
- Travel by 4WD vehicle – some walking will be involved.
- Hear the history and stories of the Bardi people as you meander along the stunning coastline.
- Learn about spear making or to try your hand at fishing the traditional way.
- A tasting of Bardi seafood cooked over the coals.
- A packed lunch and refreshments will be provided.
- Flights included. Aircraft flown by professional pilots, specifically trained for Kimberley conditions. The ultimate Kimberley Scenic Adventure.

Features

- Spend time with Bundy and experience Aboriginal culture and lifestyle.
- A unique opportunity to learn about the seasons, medicines and bush tucker and how the Aboriginal people live in rhythm with the country and the tides.
- Take a swim in the crystal clear waters of the Dampier Peninsula and enjoy the magnificent coastline and scenery.

What to bring

Wear shoes suitable for walking in sand, bathers and towel, hat and sunscreen.

Price per person

Adult \$595 per person inclusive of GST
We are unable to offer any special rates for children.

Bookings

This personalised tour can cater for a maximum of 5 guests. Minimum of 4 is required to confirm. A total of 5 hours is required, including flying time to and from Broome. Activities will vary dependent on the season and tides.
